Use of CIA Funds By NCC Scored

We, the people of the United States, believe in the separation of church and state. Now it is revealed that the National Council of Churches, knowingly or unknowingly, accepted money from Central Intelligence Agency-linked foundations. This is not only unconstitutional, it is unethical and morally wrong.

As one of the 42 million people supposedly represented by the

CPYRGHT

NCC, I kindly request that every penny of this money be returned henceforth to the source from whence it came. The NCC should wake up to the facts of life and remember Christ's admonition, "Render therefore unto Caesar the things which are Caesar's, and unto God the things that are God's."
